CAMPUS SCHOLARSHIPS

At Grand Canyon University, we offer generous scholarship opportunities to help make a private Christian education affordable. On average, a student qualifies for approximately \$7,900* in GCU-funded scholarships for the academic year, which reduces overall tuition by nearly half. We have proudly maintained this traditional campus rate for 13 years and our frozen tuition will continue to remain steady in 2021-22.

In 2020, GCU's campus students received over \$157 million in scholarships. To maintain a GCU-funded institutional scholarship each year, students must be an admitted campus traditional undergraduate student and meet scholarship requirements. The following GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs. Visit gcu.edu/CampusScholarships for more information.
