# ABOUT GRAND CANYON UNIVERSITY

Grand Canyon University is Arizona's premier, private Christian university. We help students find their purpose by offering next-generation education with 299 academic programs across nine distinct colleges. In Fall 2021, GCU had over 23,500 traditional students<sup>1</sup> on our vibrant campus in the heart of Phoenix.

Spanning 275 acres, GCU's campus continues to grow with new residence halls, academic buildings, popular eateries, student support resources and amenities, as well as state-of-the-art athletic facilities like GCU Stadium, the Canyon Activity Complex and more. GCU has 30 labs available for use at no cost, featuring advanced equipment and dedicated faculty who work to ensure that our students experience hands-on learning from day one as freshmen.

## CAMPUS SCHOLARSHIPS

At Grand Canyon University, we offer generous scholarship opportunities to help make a private Christian education affordable. The average campus student pays \$8,900<sup>2</sup> in annual tuition, which reduces overall tuition by nearly half.

**IN 2021, GCU'S CAMPUS STUDENTS RECEIVED OVER \$170 MILLION IN SCHOLARSHIPS.**

To maintain a GCU-funded institutional scholarship each year, students must be an admitted campus traditional undergraduate student and meet scholarship requirements. The following GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs.

Visit [gcu.edu/CampusScholarships](https://www.gcu.edu/CampusScholarships) for more information.

Find out which scholarships you qualify for at [www.gcu.edu/myoffer](https://www.gcu.edu/myoffer)

<sup>1</sup> Includes all students who attend ground campus classes (traditional and cohort) who have a last date of attendance of three weeks after the start of the Fall 2021 semester for traditional students, or in the last two months of Q1 for cohort students.

<sup>2</sup> Average tuition after scholarships is approximately \$8,900. Scholarships may be awarded based on 6th semester transcripts. At the time in which final, official transcripts are received, GCU reserves the right to rescind or modify the scholarship if it is determined that eligibility was not achieved. GCU reserves the right to decline scholarship awards for any reason. If a student does not meet the minimum renewal criteria, their scholarship will be forfeited. GCU reserves the right to change scholarship awards at any time without notice. Prices based on 2020-21 rate and are subject to change.

A transfer scholarship is based on a student's unweighted high school GPA, their cumulative college transfer GPA if they have six or more college credits, or their ACT/SAT scores. ACT/SAT scores require a minimum 2.5 unweighted high school GPA.

Award	Annual Amount	High School Unweighted GPA	ACT <sup>2</sup> (with 2.5 unweighted high school GPA)	SAT <sup>2</sup> 1600 Scale (math and reading only test date after March 1, 2016) <sup>3</sup>	Cumulative Transfer GPA (6-23 credits)	Cumulative Transfer GPA (24+ credits)

Indirect Antelope	\$1,150	3.0 – 3.29	19	1000	2.75 – 2.99	2.25 – 2.99

<sup>1</sup>The Chancellor Award scholarship level requires an unweighted GPA for eligibility.

<sup>2</sup>If the student is admitted based on ACT or SAT, they will need a minimum unweighted high school GPA of 2.5 to be awarded the scholarship.

<sup>3</sup>If the students test date was before March 1, 2016, please find more information on requirements at [gcu.edu/CampusScholarships](http://gcu.edu/CampusScholarships).

<sup>4</sup>Students who are not fully admissible to GCU and are accepted with specifications may be eligible for GCU institutional scholarships if they have an unweighted high school GPA of 2.8-2.99. Scholarships that are awarded off of the students weighted GPA will be honored regardless of admissibility status. Students entering GCU that are not fully admissible to GCU with an unweighted GPA of 2.79 or lower are not eligible for this scholarship program.

GCU academic scholarships and institutional aid may be combined up to the following limits:

- i. Chancellor/Chancellor-IB/President's Scholarship in campus housing — up to \$15,000
- ii. All other scholars in campus housing — up to \$12,500
- iii. All scholars living off campus — up to \$10,000
- iv. Micro-scholarships may not be combined with any other form of GCU-funded institutional aid or scholarships. Microscholarships may replace GCU institutional aid — up to \$6,000 per academic year. Athletic scholarships, Critical Mass scholarships and some student life leadership positions are not subject to the limits above (ASGCU and RA scholarships).
