

# 2024-25 HIGH SCHOOL SCHOLARSHIPS GCU-Funded Institutional Aid

At Grand Canyon University, we offer generous scholarship opportunities to help make a private Christian education affordable. GCU's annual traditional campus tuition rate is \$16,500 for both in-state and out-of-state students. After GCU scholarships, the average traditional tuition is approximately \$8,700 for the 2022-23 academic year.

In 2022, GCU's campus students received nearly \$180 million in scholarships. To maintain a GCU-funded institutional scholarship each year, students must be an admitted campus traditional undergraduate student and meet scholarship requirements. The following GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs. ## High School Academic Scholarship Program
