INSPIRE YOUR STUDENTS on a

GROUP COLLEGE VISIT

Give your students more than a field trip. Give them a vision. At GCU, group visit days are crafted to open eyes, spark curiosity and plant the seeds of purpose.

THREE PATHWAYS. ENDLESS POSSIBILITIES.

Whether they're dreaming big or just starting to wonder what's next, there's a visit option tailored to every step of the journey.

Early college explorers can embark on **GCU DAY**

Wednesdays and Fridays | 10 am - 1 pm

The first step toward something bigger. Bring first-time campus visitors like freshmen, sophomores or those just starting their college search for a day that feels more like exploration than a tour. Your students can:

- Walk our palm-lined campus with a student guide
- Hear their questions answered by people living the college experience
- Begin picturing themselves in college
- Enjoy complimentary lunch before heading back to your school

For students with a spark, you can fuel it at **GCU DAY: PROGRAM PREVIEW**

Mondays, Tuesdays and Thursdays | 9 am - 1 pm

For students with an idea of the careers that excite them, this visit brings their interests to life with deeper academic exploration. Your students can:

- Dive into interactive academic sessions tailored to their interests
- Meet college faculty and current Lopes
- Explore the labs, studios and learning spaces that match their goals
- Eat complimentary lunch from a popular campus dining spot

Have students on the verge of choosing a major? Bring them to **COLLEGE AND CAREER DAY**

Dates throughout the semester | 9 am – 1 pm

Let your upperclassmen get up close with careers, majors and practical possibilities in a high-energy, academic showcase.

Each College and Career Day gives students a front-row seat to what's possible through the lens of a specific GCU college. These are immersive, hands-on events designed to energize, connect and inspire. Your students can:

- Engage with faculty from our colleges — each event is different
- Join sessions that may include employer panels, skills workshops and facility tours
- Go beyond the general college questions and dive into how they can achieve their goals
- Enjoy complimentary lunch before heading back to your school

Example Topics

- Cybersecurity Day with the College of Engineering and Technology
- Pre-Health Day with the College of Natural Sciences
- Leadership and Global Studies with the Honors College
- Engineering Day with the College of Engineering and Technology
- Student Research with the College of Humanities and Social Sciences
