

## GCU DAY

Now bigger and better than ever, GCU Day offers a unique opportunity for students, teachers and counselors to gain firsthand insight into GCU's exciting campus life! Learn about GCU and our academic offerings, plus participate in hands-on activities specific to the GCU Day track chosen. Interact with a GCU student panel, take an in-depth tour of campus, participate in an information session and end your day with lunch at a favorite campus eatery.

#### **BUSINESS INNOVATION, MARKETING AND ENTREPRENEURISM**

Students will discover how businesses look at different situations while coming up with unique marketing solutions. They will also visit our Canyon Ventures business facility and participate in dynamic team activities.

#### **CADAVER EXPERIENCE**

Students will explore the variety of medical professions available to them. They will also get a tour of a collegiate dissection lab and handle real human cadavers.

#### **ENGINEERING**

Student groups will participate in a hands-on, Arduino-based activity in order to understand the basics of circuitry and learn proactively how the disciplines of mechanical, electrical and software engineering all form a robotic system.

#### **FIND YOUR PURPOSE**

Students will also participate in a fun "Find Your Career" activity and learn about their matching GCU programs. They will also discover the ins and outs of the university.

#### **PRE-HEALTH**

Students will get an inside look at some of the available medical professions. Participants will receive a clinic on suture methodology, more commonly known as stitches, and learn how to perform the simple interrupted suture on bananas.

## **ABOUT GCU**

Grand Canyon University is Arizona's premier, private Christian university. We are a transformative higher institution helping students find their purpose and achieve their potential. GCU offers over 321 academic programs across nine forward-thinking colleges rooted in the university's Christian worldview and developed for a wide variety of employment areas (as of March 2023).

Grand Canyon University is accredited by the Higher Learning Commission (HLCCommission.org), an institutional accreditation agency recognized by the U.S. Department of Education. Please note, not all GCU programs are available in all states and in all learning modalities. Program availability is contingent on student enrollment. Pre-licensure nursing students who begin or resume attendance in Fall 2020 and beyond will be ineligible to utilize most GCU institutional aid/scholarships for tuition and fees once accepted into the clinical portion of the program. For more information on the accreditation of nursing programs and other university approvals, please visit our University Accreditation and Regulations page at [gcu.edu/CONHCPAccreditation](https://gcu.edu/CONHCPAccreditation). Important policy information is available in the University Policy Handbook at [gcu.edu/academics/academic-policies.php](https://gcu.edu/academics/academic-policies.php). The information printed in this material is accurate as of May 2023.
