Club sports are not regulated by the National Collegiate Athletic Association (NCAA), and do not have varsity status at the intercollegiate athletic level. However, club sports are organized and administered by their respective national sport governing body. Pre-licensure nursing students who begin or resume attendance in Fall 2020 and beyond will be ineligible to utilize most GCU institutional aid/scholarships for tuition and fees once accepted into the clinical portion of the program. Grand Canyon University is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education. Please note, not all GCU programs are available in all states and in all learning modalities. Program availability is contingent on student enrollment. Important policy information is available in the University Policy Handbook at <https://www.gcu.edu/academics/academic-policies.php>.
