

# LIVE LESSONS

GCU Live Lessons allow your students to learn about potential career fields, explore their interests and develop practical skills. These complimentary academic experiences are hosted in classrooms or, for select lessons, a virtual classroom setting that aim to support your learners.

## **YOUR CLASSROOM, ELEVATED: COLLEGE-LEVEL LEARNING AT NO COST**

GCU Live Lessons are 45-minute interactive, career-aligned activities that help students explore advanced concepts and develop hands-on skills. Each lesson features GCU curriculum designed by college experts and faculty specifically for teachers and their students. Lessons are offered in career-focused tracks, including:

**Business | Engineering | Forensic studies and criminology | Multi-media  
Pre-health | Social sciences | Technology**

## **LAST-MINUTE LIVE LESSONS**

Many Live Lessons from our catalog can be scheduled in as little as 24 hours before the lesson to help educators with unexpected classroom coverage needs.
