WHO WE ARE

MEET OUR STUDENT LEADERS

"Our office is important to GCU because it provides a safe place for students on campus who are 'different.' It also allows other students at GCU to experience different cultures and become knowledgeable about what diversity and inclusion means. It also provides great events where everyone can feel accepted."

— Kelsia

"Our office provides a platform to represent diversity, inclusion and belonging to all students. This is not exclusive to a certain race or gender. We provide ways for people to get plugged in and be in an enriched diverse environment."

— Shahiba

"It is so important for all students to feel like they matter and are represented on campus. Our office provides that representation as well as helps to build communities and connect students of different backgrounds, races and ethnicities."

— Ajienne

"From a personal perspective, the Diversity and Inclusion Office has created a sense of belonging for me and created room for unity on campus."

— Cynthia
