# TRANSFER-FRIENDLY BENEFITS

COLLEGE  
TRANSFER CENTER

## TRANSFER SCHOLARSHIPS AVAILABLE

GCU offers scholarships to help transfer students make their private Christian education more affordable. Visit [gcu.edu/CampusScholarships](https://www.gcu.edu/CampusScholarships) for more information.

## TRANSFER COURSE SEARCH TOOL

Use our transfer credit tool to search for your courses from a prior school to see how they might transfer.

## LOPES UNOFFICIAL CREDIT EVALUATION

We review all previous college transcripts within 24 business hours to determine how these credits may apply to your desired program at GCU. Once the unofficial evaluation is completed, GCU will contact you with an estimate of credits earned, an anticipated graduation date, if you follow the schedule provided, and a preliminary schedule.

## INSTITUTIONAL LOPES

Through partnerships with community colleges, students in their associate program receive a plan that details their entire pathway to graduation at GCU. Students' plans are tailored to show how they can earn their bachelor's degree from start to finish.

## ASSOCIATE TRANSFER PLAN

Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) at an accredited, GCU-approved college, university or program may fulfill the majority of GE required with the exception of University 101 and Christian Worldview.

## GCU'S REGISTRATION COMMITMENT

GCU's Registration Commitment is your chance to secure a scholarship offer and admission decision for a future semester. Contact an admissions counselor to learn more.

## SMOOTH TRANSITION

Make a smooth transition to GCU by making the most out of your transfer credits. Whether you attended a community college or a university, we are here to assist you in evaluating and anticipating your transfer opportunities and needs. At GCU, our university development counselors are college transfer specialists who provide personalized support as you explore your degree options.
