# WELCOME HOME, LOPES!

Imagine a campus life experience designed to support your studies while providing the comfort and convenience of essential amenities right at your fingertips. At GCU, our mission is student satisfaction, and we're dedicated to making your time on campus both enriching and enjoyable.

As you embark on this new phase of your educational journey, it's natural to have concerns about your personal safety and well-being when moving away from home for the first time.

Luckily, you can rest assured that GCU takes student security very seriously — and our standards and infrastructure reflect that dedication. As of October 2023, GCU had over 250 public safety professionals maintaining the safety of our students, faculty and staff.<sup>1</sup>

<sup>1</sup>Includes student workers.

“

It's incredible how hard GCU works to keep the campus safe. That's huge for me. And for a lot of girls, I think. It's really amazing to be able to go for a run or not have to be scared to walk across campus. If I'm going to office hours late or if I want to go get food by myself, I can do that.
