Be sure to carefully follow all instructions and double-check your application; applications that contain errors or don't follow the guidelines may not be considered.

Applicants complete one application to be considered for either scholarship or both; however, applicants can only receive one scholarship. Scholarships are renewable for up to eight semesters and may be awarded in varying amounts per academic year. These scholarships are stackable on top of other GCU-funded institutional aid but are subject to the GCU scholarship cap policy.

- Complete online application form with short answer questions
- Three-minute video (max length)

In addition to the general prompt above, please choose three of the six questions below to answer in your scholarship video:

1. What social justice or global issue are you most passionate about, and what have you done or would like to do to advocate and/or contribute to the cause?
2. What are you most excited about being an honors student and/or what are you most nervous about being an honors student?
3. Describe the greatest accomplishment you have achieved so far.
4. If we were to connect with your high school teachers, coaches, club leadership, work supervisors or your peers, what would they say about you?
5. What do you want to accomplish in your life?
6. Tell us something about yourself that may not be clear from your application materials.

Important Note: Please upload your video to YouTube and make the link public for viewing. You can upload the video as unlisted so that only those with the link can view it. Submit your video link on the online application form. Videos longer than three (3) minutes will **NOT** be reviewed.

Applicants should contact their university admissions counselor (UAC) to discuss a detailed budget sheet with current scholarship and financial aid options. Applications will be reviewed by the Honors College's scholarship committee. Scholarship recipients will be notified via email of their scholarship decision.
