

# WHY EARN YOUR ACCELERATED BACHELOR OF SCIENCE IN NURSING

*At Grand Canyon University?*

GRAND CANYON  
UNIVERSITY®

GCU's **accelerated BSN (ABSN) program** provides a fast and straightforward path to earning your nursing degree by utilizing a simple application process with clear requirements and no competitive entrance application. Once you have met all the requirements for secondary acceptance into the program, you're eligible for the first available open seat at the ABSN site of your choice!

**SPRING, SUMMER AND FALL START DATES ARE  
AVAILABLE AT EACH OF OUR LEARNING SITE LOCATIONS:**

- West Valley, Phoenix
- Henderson (Las Vegas area)
- Sandy (Salt Lake City area)
- Sun City
- Chandler
- Tucson

Completed in as little as 16 months,<sup>1</sup> the ABSN program's combination of online classroom learning, hands-on skills lab, immersive simulation experiences and supervised clinicals helps you prepare to sit for the National Council Licensure Examination (NCLEX-RN®) upon graduation. Our NCLEX success managers will work with you even after graduation to help prepare you for the NCLEX-RN® exam and start your nursing career!

We also have many resources available to you like our field experience counselors, ACE (Academic and Career Excellence Center) and payment plans to help you lower your debt upon graduation.

## REACH OUT TO YOUR UNIVERSITY ADMISSIONS COUNSELOR FOR MORE INFORMATION

<sup>1</sup>Secondary Applicants must transfer a minimum of 60 of the required 123 credits or have completed a baccalaureate degree which includes nine prerequisite courses/labs and 10 general education courses prior to starting the core nursing courses, which can be completed in as few as 16 months. Direct Entry Applicants that do not transfer 60 credits but meet the minimum requirements can complete these credits through GCU prior to starting the core nursing courses. Depending on the state where student has enrolled or intends to complete the program, student may require additional courses. This may include, but is not limited to, additional general education courses, courses in the major, clinical courses, or a different course sequence. See University Policy Handbook.
