

SUPPORTING COLLEGE STUDENTS

To promote our students' academic achievement, GCU offers the Academic Centers for Excellence (ACE), Early Alerts and the Student Success Center.

Academic Centers for Excellence (ACE)

Tutoring Services:

One-on-one and small group peer tutoring are available to help students study, understand course content or prepare for exams. Writing support and success coaching are available for all undergraduate courses, while subject support is offered for select courses only.

Peer Tutoring:

For assistance with your courses, meet with a peer tutor who can help you study, understand course content, prepare for exams and more.

Student Success Center:

Students also have access to the Student Success Center, an online resource designed to support students, faculty and staff with centralized access to various multi-disciplinary learning support materials.

Success Coaching:

Meet with a peer tutor to discuss improving your academic performance and find study tips, organizational tactics and time management strategies.
