# **WITH A MINOR IN CHRISTIAN MINISTRY**

As believers, we're called to serve the church and others throughout our lives, whether or not ministry is our primary vocation. At Grand Canyon University, we're committed to helping equip you with the knowledge and skills to faithfully answer any assignment God places on your heart.

A minor in Christian Ministry from GCU can offer the spiritual foundation and confidence you need to step into leadership roles within your church community. Earned alongside your major, a Christian Ministry minor can allow you to integrate your faith with your professional expertise and can help open the door to a variety of career and volunteer paths.

## **WHY CHOOSE A CHRISTIAN MINISTRY MINOR?**

With a few additional courses, you can position yourself to:

- Work with faith-based nonprofits to contribute to mission trips, community outreach and more.
- Serve in church leadership, either professionally or as a volunteer, enriching your ability to support and guide others.
- Prepare yourself to confidently engage in roles within your church.
- Develop faith-based curriculum for Christian schools.

Ministry is not just for professional pastors. Churches thrive when people with a variety of gifts participate in a variety of services and activities, as “the same God empowers them all.”

**(1 Corinthians 12:4-6)**

## WHAT CAN YOU LEARN?

Choose the focus that best aligns with your gifts and passions. We offer minors that focus on biblical studies, theological understanding, ethics, faith formation and mission. *Options include:*

- Biblical Studies

## POTENTIALLY EXPAND YOUR CAREER POSSIBILITIES

A Christian Ministry minor may also complement careers like counseling and social work, providing possible new career paths in hospitals, military or educational settings where your faith can guide your work.
