

HIGH SCHOOL DUAL ENROLLMENT THROUGH GRAND CANYON UNIVERSITY

Potentially **ACCELERATE YOUR COLLEGE JOURNEY** with Grand Canyon University's online high school dual enrollment program. GCU offers the option for high school students across the country to earn college credits online anytime, anywhere. With this opportunity, they can potentially graduate and enter the workforce sooner — saving time and money as a college student.

EXPERIENCE A NEW WAY TO LEARN

CHOOSE from approximately 50 online courses. Each class is seven weeks long, with start dates available year-round.

TRANSFER college credits easily toward GCU degree programs.

TAKE online classes with the flexibility to earn credits according to your schedule.

RECEIVE the same quality instruction, available resources and academic rigor as traditional GCU students.

EARN up to 60 college credits conveniently without additional travel to another campus.

SAVE money on college courses. Each dual enrollment course is only \$210 (\$52.50 per credit).¹

PATHWAYS can be tailor-made to focus on specific programs of study helping you get a head start toward your career.

BUILD A **CUSTOM 15-WEEK** COHORT PROGRAM FOR YOUR HIGH SCHOOL CLASS OR HOME-SCHOOLED CO-OP!

Administrators: Choose from any of our courses and build your own dual enrollment program based on your school's needs and schedule. This allows students to get used to college coursework while still in the comfort of their current environment. Contact DualEnrollment@gcu.edu to learn more about this custom option!
